- None reported.

# **WEATHER OF CONCERN**

## **NORTHERN CALIFORNIA**

- An increase in rain and mountain snow mainly north of I-80 through early Tuesday.
  - Snow total amounts of 6-9 inches are expected at pass levels through early Tuesday, up to 12-16 inches over higher peaks.
  - Overnight tonight will see the highest potential for travel impacts.
  - A Winter Weather Advisory remains in effect until 1100 hours on Tuesday.
- Skies will clear out in the valley with warmer temperatures for Wednesday.

## **SOUTHERN CALIFORNIA**

- Winds combined with moisture will continue through Tuesday afternoon.
  - Strong winds could approach advisory levels in the Antelope Valley.
- Some rain will be seen in San Luis Obispo and Santa Barbara Counties into Tuesday morning.
  - Better chance of showers on Tuesday for Ventura and Los Angeles Counties interior mountains.

# **WEATHER KEY POINTS**

**04/15/19 - 04/21/19**

## **Monday-Tuesday**

- Precipitation will be confined from northern CA to the Bay Area with dry conditions across the rest of the state.
  - Most of the precipitation will fall on Monday. No significant weather impacts expected.
  - Snow levels are expected to hover around 7000 feet during the day on Monday and fall to 5000-5500 feet overnight.
- Winds will increase across inland and southern California, bringing the potential for minor impacts across the region

## **Wednesday-Sunday**

- Increased temperatures late next week will begin to melt snowpack and will likely led to rises in rivers and streams. No flooding impacts expected at this time.
- Winds will increase this weekend across California, bringing the potential for minor impacts across the region
- Above average temperatures and dry conditions due to offshore flow are expected during the end of the week across the state.

# Cal OES LAW ENFORCEMENT MISSIONS

## Cal OES Law Missions

- **2019-LAW-1099, 04/15/19, 0505 hours:** Cal OES LDO received an email from CSWC requesting to contact Butte County regarding a search for a missing 7 year old and 2 year old in the mountains. The request was for 20 Type-1 ground searchers and 2 trailing dogs with flankers. **0506 hours:** Contacted Butte County and confirmed request. They advised a father and his two children went to the mountains to ride ATVs. When they did not return home, people went out looking for them and found their vehicle unoccupied. ICP location was established at Skyway Rd. and Powelton Rd. **0509 hours:** Contacted state K9 Coordinator and advised him of the request. **0630 hours:** Received email from state K9 Coordinator advising two dogs were enroute to the ICP. **0720 hours:** Nevada County advised they were deploying with 6 Type-1 ground searchers. **0736 hours:** Yuba County called and advised they were deploying with 4 Type-1 ground searchers. **MISSION ONGOING**
- **2019-LAW-1045, 04/13/19, 1203 hours: MISSION REOPENED: 04/14/19, 0820 hours:** Received call from AFRCC advising they spoke with Modoc SO, who advised they were not searching for the original missing subject we initially requested forensics. They requested to confirm this with Modoc. **0835 hours:** Contacted Modoc SO and they confirmed the original missing person is still considered to be in the group, but they identified an additional subject that's potentially in the group that is diabetic and may not have taken their medication in the past two days. **0849 hours:** Region III Law Coordinator deployed to support this incident. **0900 hours:** Contacted AFRCC and advised them Modoc recognizes the original identified MP is still with the group they're searching for. **1028 hours:** Received cell number for additional MP believed to be in the group. **1031 hours:** Contacted AFRCC and provided cell number and requested cell phone forensics. **1805 hours:** Received an email from AFRCC advising one missing person's cell phone had turned on. **1841 hours:** Received an email from AFRCC advising they received a GPS accurate location with coordinates of 40.88870/121.65604 +/- 43 feet. The location appeared to be a residence. I passed this information to our assigned Region III A/C, who confirmed that missing person was located and was okay. The two other subjects have not been located. Search efforts are continuing for those subjects. **MISSION ONGOING.**

# Cal OES MISSION TASKING

## Cal OES Missions

- **2019-SOC-275:** Request for Caltrans Engineer to provide initial technical assistance and determine the scope of the storm drain assessment project alongside city contractors for the town of Paradise. (Coordinating)
- **2019-SREOC-57753:** Requesting equipment to excavate material from under road culverts. (On Scene)
